

The 1960 Society

The *1960 Society* is the support organization for the International Civil Rights Center and Museum. Through its annual contributions, the *Society* will help assure the solid operational and financial future of the Museum. In return, the Museum will provide special events and programs for members and offer “insider” tours of new exhibits and previews of new programs. Through the regular newsletter, the *Society* will be fully informed of news and information of interest at the Museum.
